Babe Ruth Baseball

Pacific Northwest Region

On behalf of the Pacific Northwest Region of Babe Ruth Baseball, I would like to welcome you to this year's Regional Tournament.

In order to enhance your Regional Tournament experience, each Host League is preparing an on-line information package providing all the tournament information as well as options for accommodations and sightseeing.

I want to take this opportunity to draw your attention to two items of particular interest: PNW Regional Tournament Rules and Regulations, and the concussions awareness training which PNW fully endorses and which will be in effect during all Regional Tournaments.

PNW Regional Tournament Rules and Regulations – Included in the information package are two documents: 1) Tournament Participant Information, and 2) Pool Play and Tie-Breaker Format. I encourage you to review both of these documents carefully as they are the rules/regulations under which our Regional Tournaments are conducted. These rules/regulations may be different from those under which you're State or Provincial Championships are conducted. While these rules/regulations will be addressed in detail at the mandatory Manager's meeting prior to the opening of the Tournament, it is important that players and parents understand them as well.

Concussion Awareness – Most sports fans are aware of numerous player injuries as a result of concussions in both professional and amateur sports. Players in professional hockey, baseball and football have suffered concussions which have resulted in them missing not only a few games but also the rest of their season, and in some cases even more time.

As a result of the increasing number of concussion incidents, the Pacific Northwest Region mandates concussion awareness training for players, their parents, and their coaches. It also mandates that any player suspected of sustaining a concussion be removed from competition and not be allowed back into competition until the player has received written clearance from a licensed health care provider trained in the management of brain injuries. Please be aware that this will be strictly enforced during all Tournaments.

At the mandatory Manager's meeting this issue will be fully addressed with the managers and coaches. I would, therefore, urge all players and their parents to read the concussion information included in the information package. If you want more information you can go to www.cbirt.org/ocamp.

Best of luck to all participants. Play great baseball and experience good sportsmanship throughout the tournament.

Concussion Information Sheet

A concussion is a brain injury, and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, all concussions are potentially serious and may result in complications, including prolonged brain damage and death if not recognized and managed properly. In other words, even a "ding" or a bump on the head can be serious. You can't see a concussion, and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention immediately.

Symptoms may include one or more of the following:

- Headaches
- "Pressure" in head
- Nausea or vomiting
- Neck pain
- Dizziness or balance problems
- Blurred, double, or fuzzy vision
- Sensitivity to light or noise
- Feeling sluggish or slowed down
- Feeling foggy or groggy
- Drowsiness
- Change in Sleep patterns
- Amnesia
- "Don't feel right"
- Fatigue or low energy
- Sadness
- Nervousness or anxiety
- Irritability
- More emotional
- Confusion
- Concentration or memory problems
- Forgetting game plays
- Repeating the same question/comment

Signs observed by team mates, parents, and coaches include:

- Appears dazed
- Vacant facial expression
- Confused about assignment
- Forgets plays
- Is unsure of game, score, or opponent
- Moves clumsily or displays incoordination
- Answers questions slowly
- Slurred speech
- Shows behavior or personality changes
- Can't recall events prior to hit
- Can't recall events after hit
- Seizures or convulsions
- Any change in typical behavior or personality
- Loses consciousness

WHAT CAN HAPPEN IF MY CHILD KEEPS ON PLAYING WITH A CONCUSSION OR RETURNS TOO SOON?

Athletes with the signs and symptoms of concussion should be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that an adolescent or teenage athlete will often under report symptoms of injuries, and concussions are no different. As a result, education of administrators, coaches, parents, and students is the key for a student-athlete's safety.

IF YOU THINK YOUR CHILD HAS SUFFERED A CONCUSSION:

Any athlete even suspected of suffering a concussion should be removed from the game or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the athlete should continue for several hours. The new "Zachery Lystedt Law" in Washington now requires the consistent and uniform implementation of long and well-established return-to-play concussion guidelines that have been recommended for several years:

"A youth athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time."

AND

"...may not return to play until the athlete is evaluated by a licensed health provider trained in the evaluation and management of concussion and received written clearance to return to play from that healthcare provider."

You should also inform your child's coach if you think that your child may have a concussion. Remember, it is better to miss one game than miss the whole season. When in doubt, the athlete sits out.

For current and up-to-date information on concussions you can go to:

Ground Rules for All Fields

1. **Backstop area:** The backstop areas are fully enclosed and a ball cannot get through them. In the event that a wild throw or wild pitch hangs up in fence, the play shall be ruled dead.
2. **Dugouts:** There are two entry points to the dugouts, one at the front of the dugout, and one at the back of the dugout. There is a small fence that extends between these two points. Equipment, coaches and players must remain behind the entry of the dugouts at all times during live ball action. If a ball hits one of the poles or the short fence that extends between the dugouts, the ball is live. If an errant throw goes between the pole and fence into the entry area of the dugouts, the ball shall be ruled dead. An errant throw that goes above the short fence and hits the dugout shall also be ruled dead.
3. **Foul Line Extended:** At the end of each dugout, there is an entry gate, as well as a vehicle entry point at the end of each fence near the outfield fence. Should a ball get through either point, the ball shall be ruled dead.
4. **Outfield Fence:** A ball can get lodged in a fence sign. Should this occur, have your player raise their hands and the umpire will check it. **Note:** If a player raises their hands, and then attempts to remove the ball before the umpire kills the play, the play will remain live.

TOURNAMENT PARTICIPANT INFORMATION

Officials of the Babe Ruth League program and the Host League have made extensive efforts to ensure your stay at our Regional Tournament will be pleasant and rewarding. We expect all participants to fully cooperate with the following Tournament Rules and Regulations.

All Team Members must be present for check-in at the time designated by the Tournament Host. Where the Sponsoring Host has arranged an Opening Ceremony as part of the Tournament schedule, all Team Members are required to attend in full uniform. Where the Sponsoring Host has arranged a banquet or picnic as part of the Tournament schedule, all Team Members are required to attend. All players, managers and coaches must attend all games scheduled for their team.

Only the Regional Commissioner or the Tournament Commissioner may grant an exemption to the above where extenuating circumstance is found to exist. Such extenuating circumstances may consist of verified illness or injury, unavoidable travel problems, or other circumstances completely beyond the control of the absent Team Member(s). Any decision regarding an exemption will be the responsibility of the Regional Commissioner or the Tournament Commissioner and such decision shall be final and not subject to appeal. Dual participation by a player, manager or coach in another sporting event does not qualify as an extenuating circumstance and will not be sufficient grounds for granting said exemption. **The penalty for violation of the above requirements may be disqualification of the absent player, manager or coach for the remainder of the Tournament, but shall not affect the eligibility of such player, manager or coach, if otherwise eligible, for subsequent levels of play should their team qualify.**

A mandatory Managers meeting will be held prior to the beginning of Tournament play. All teams must be represented at this meeting. With pre-approval of the Tournament Commissioner, should an extenuating circumstance beyond the control of the Manager prevent his attendance, a team coach may act as a representative.

Each player on a team shall wear a different number on his/her uniform. The official Cal Ripken or Babe Ruth shoulder or cap emblem must be worn either on the left shoulder sleeve or on the official Cal Ripken or Babe Ruth cap. (For sleeveless jerseys, the emblem must be worn on the front left chest.) All managers and coaches must wear a baseball type uniform of the same design and color as the players' uniform. (i.e., NO SHORTS – NO JEANS – NO SANDALS.)

Game officials shall deal with **ON-FIELD** conduct. Any player, manager, or coach disqualified from a game shall automatically be suspended from further Tournament participation, pending a review of their actions by the Tournament Commissioner. All such suspensions become effective immediately at the time of disqualification.

SPECIAL INSTRUCTIONS to PARTICIPANTS

CONDUCT – Your conduct must be above reproach on and off the field; any misbehavior or misconduct could not only cause your disqualification from the Tournament but could also result in the disqualification of your team as well. All players shall conduct themselves in a reasonable and acceptable

2015 Cal Ripken 11-Year-Old and Major 70' Pacific Northwest Regional Championships

manner in accordance with team discipline rules as set by their manager or official in charge of the team. Unacceptable behavior shall include: unsportsmanlike conduct, willful damage to property, committing any act considered an offence under law, and not abiding to Tournament rules as set out by the Host Committee.

As State/Provincial Champions, you are expected to dress appropriately. You may dress informally and comfortably, however, neatness and cleanliness of appearance at all times is required.

Use of ALCOHOLIC BEVERAGES, SMOKING or CHEWING of TOBACCO by any Team Member, Tournament Official, or Umpire is STRICTLY PROHIBITED. This rule applies during Tournament play at any of the locations being used for any Tournament activity, or at any social function associated with the Tournament. Any VIOLATION of this rule shall be cause for immediate disqualification of the offender(s) from a game(s) or from further Tournament competition. The Tournament Commissioner will review all disqualifications and after considering all relevant facts surrounding such action, he/she may increase such sanction(s) as deemed necessary or appropriate.

No Team Member, Tournament Official, or Umpire shall possess or use any PROHIBITED DRUG OR SUBSTANCE at any time during the Tournament. Any such possession or use of same shall be cause for immediate disqualification of the offender(s) from the Tournament.

Damage to any personal or physical property by any participating Tournament Member shall be cause for immediate disqualification from the Tournament. Any financial costs incurred will be the direct responsibility of the Team Member(s).

For purpose of the rules and regulations of this Tournament, the following definitions apply: (1) "Team Member" is defined to include any rostered player, manager, coach, or bat boy/bat girl; (2) "Prohibited Drug" includes any drug not specifically prescribed for that person or any drug that cannot be obtained over the counter, or any drug (or other substance) that is utilized in an excessive, detrimental or abusive manner or dosage.

EJECTION – SUSPENSION – DISQUALIFICATION

In all cases involving a suspension or disqualification, the Tournament Commissioner will review the circumstances involved and, after taking into consideration all relevant facts, may increase such disciplinary action as is deemed necessary or appropriate. The decision of the Commissioner will be final and there will be no appeal from such decision. If further disciplinary action is deemed necessary, the manager of the team so disciplined will be provided with written confirmation of the penalty and the reasons thereof. The Commissioner will retain a copy of the disqualification report and any supplementary correspondence and it will be forwarded to the Pacific Northwest Regional Commissioner for further review and possible additional penalties. The penalty provisions are quite clear. It is strictly a matter of the enforcement of what we accept as the proper code of conduct keeping in mind the spirit and purpose of what we are involved in and what our objectives are.

Notwithstanding any provision contained in any tournament rule, regulation, provision, agreement or memorandum to the contrary, the Tournament Commissioner shall maintain and have final authority for all aspects of this tournament and may impose the removal, suspension or disqualification of any team

member or team from the tournament, and/or take whatever other actions or issue such directives as deemed necessary or appropriate for the administration of the tournament.

Disregard by any Team Member of the foregoing rules and regulations or any subsequent rule, regulation or guideline hereafter enacted, shall be sufficient grounds for that Team Member to be withdrawn from the tournament. Any player so withdrawn shall be placed under the supervision and control of his/her Team Manager.

POOL PLAY & TIE-BREAKER FORMAT

Pacific Northwest Regional Tournament competitions will begin with a pool play format. Each of two divisions (American and National) will play a pool play schedule as determined by the Commissioner under whose jurisdiction the tournament falls. Teams will be seeded at the beginning of a single-elimination competition according to the position they finished in pool play.

Pool play standings will be determined as follows:

1) WIN – LOSS RECORD

The tie breakers are used in order to advance or seed ONE team at a time. Each time a tie is broken to advance one team, leaving a tie between two or more teams, the situation reverts to criterion #2. (Head-to-Head results).

If still tied:

2) RESULTS OF HEAD-TO-HEAD COMPETITION

Example: Three teams are tied with identical records for the first place at the end of pool play. Teams A, B and C played against each other once in pool play. Team A won all of its games against Team B and Team C during pool play. Result – Team A advances, which then creates a two-way tie between Team B and Team C. That tie then is broken by reverting to criterion #2.

If still tied:

3) FEWEST RUNS GIVEN UP

If the results of the head-to-head matchup(s) of the teams that are involved in the tie cannot break the tie (because no team defeated each of the other teams in the tie each time they played, or because no team has defeated all of the other teams involved in the tie, or because the teams involved in the tie did not play one another during pool play), then the tie is broken using criterion #3. The remaining teams' tie is broken by reverting to criterion #2.

If still tied:

4) RUN DIFFERENTIAL WITH A MAXIMUM OF 10 PER GAME

In the event a tie is created by virtue of a forfeited game, and the tie cannot be broken by criterion #2 or #3, the order of criterions #3 and #4 will be reversed and applied to the tie. Since the number of runs which might have been scored during the game may have affected the fewest runs allowed standing (and the awarding of the forfeit gives the “winning team” no additional runs given up), this order will better adjust for that event.

Note:

The ten run rule is in effect for all games played.

The score in any forfeited Cal Ripken game will be 6-0 for the non-forfeiting team.
