2. If a pitcher reaches the maximum number of pitches that they can throw in a game in the middle of a batter, the pitcher is permitted to complete throwing to the batter. # WVBR Suspended Game Policy

## **Baseball Interrupted Contest - Procedure**

1. The umpires, both head coaches and both scorekeepers shall gather together to document the point of interruption on the lineup card and in the official scorebook (including inning, score, outs, runners on base, defensive charged conferences, etc.). The crew chief shall sign the lineup card and the official scorebook to ensure that there are two copies.
2. The crew chief should then give the signed lineup card to the home coach to be kept with the official scorebook.
3. The umpires shall send their game report to the league assigner. If a different umpire crew is assigned, the league assigner shall send the game report details to the new crew as part of accepting the assignment.
4. The lineup card shall be given to the new or returning umpire crew during the pre-game when the game is to be continued from the point of interruption.

## **Baseball Interrupted Contest Policy**

1. For darkness and/or weather
  - A. If fewer than 3 ½ or 4 innings (Cal Ripken Division) and 4 ½ or 5 innings (Prep Division) have been played, the ***contest shall continue from the point of interruption (unless it is a non-league game, in which the game will not be made up).***
  - B. If 3 ½ (home team ahead) or 4 innings (Cal Ripken Division) or 4 and 1/2 (home team ahead) or 5 innings (Prep Division) have been played and the score is not tied, the contest is declared an official game.
  - C. If play has gone beyond four (Cal Ripken Division) or five (Prep Division) full innings, teams have had an equal number of completed turns at bat and the score is tied, the ***contest shall continue from the point of interruption.***
  - D. If play has gone beyond four (Cal Ripken Division) or five (Prep Division) full innings and is called when the teams have not had an equal number of completed turns at bat, the score shall be the same as it was at the end of the last completed inning, unless the home team in its half of the incomplete inning, scores a run (or runs) which equals or exceeds the opponent's score, in which case, the final score shall be recorded when the game is called. If the score was tied at the end of the last completed inning, ***contest shall continue from the point of interruption.***
  - E. If the game is a non-league contest, the game will be complete and will not be completed.
2. For other reasons, among which include light failure, sprinkler system, etc., the contest shall continue from the point of interruption unless the game is a non-league game, in which the game will be considered complete.

# WVBR Local Playing Rules, General Rules

**Base Runner:** While running the bases, each base runner must attempt to avoid contact with fielders. Failure to do so will result in the base runner being called out. No base runner is to be called out for running out of the baseline to avoid contact with a player fielding a ball. No fielder may occupy a baseline unless a play is “imminent”. In the event a fielder illegally occupies a baseline and hinders a runner, the umpire will make the appropriate base award. If a base runner “deliberately” makes contact with a fielder, the base runner will be called out and immediately ejected from the game. No warning is required. If a base runner fails to slide on a force play, and in the judgment of the umpire prevents a double play, the umpire may award the second out.

**Batter:** A batter must try to avoid interfering with a play. Batters do not necessarily have to be successful in avoiding interference for interference to be called. It is not the intent of these rules to reward a team that has a poorly executed play, throws wildly, makes a wild pitch, or has a passed ball, with an out.

1. If a batter shows bunt, but in the judgment of the umpire the batter does not make an attempt to hit the ball, the umpire will call ball or strike based on location of the pitch. Coaches may choose to advise players to pull the bat back after showing bunt, but it is not necessary to pull the bat back to avoid a strike being called.

**Coach’s Conduct:** During games, no coach, player or parent can approach an umpire to dispute a judgment call or decision. Only a head coach may approach an umpire for discussing a rule interpretation or for clarification. At all times coaches must show respect to umpires and maintain their obligation as team leaders to provide an example of good sportsmanship for the players and other event participants. **Note: Should an assistant coach approach an umpire to dispute a call, the umpire will ask the assistant to return to his coaching box and warn the head coach that only he is permitted to discuss game related matters with the umpires. Should an assistant coach and the head coach choose to ignore the warning from the umpire, and the unsportsmanlike behavior continues; both the head coach and the assistant coach will be restricted to the dugout for the duration of the game. Should the adverse behavior continue from the dugout, the offending coach will be ejected from the game. Should an injury occur after a head coach is restricted to the dugout, only the head coach will be permitted to return to the field to attend to their injured player. If a head coach calls time out after being restricted, the players must come to the dugout to receive instructions from the head coach as the head coach is no longer permitted to be on the field.**

**Cancellation of games scheduled for the Complex:** Should a game be rained out at the Complex, the makeup game, under most circumstances, will be rescheduled for the home teams local field based on field availability. In circumstances where two teams from the same area refuse to play a previously scheduled Complex game, a fee of \$250.00 per team will be assessed to each team.

**Catchers Helmet:** Per national rule (Page 19), catchers in the Cal Ripken and Babe Ruth Divisions must now wear a hockey style catcher’s helmet. All Divisions: Any player, manager or coach warming up a pitcher at **any location** shall wear a protective helmet and mask,

**Dugouts:** Coaches and players must clean their dugout after each game.

**Fake Bunting:** Excessive bat wagging for fake bunting is not permitted.

1. If an umpire deems bat wagging to be excessive, he shall call a strike on the batter as it will be considered as an attempt to bunt the ball.
2. Should the batter pull the bat back before the pitch reaches the plate, the pitch will be judged as to whether it is a ball or a strike.
3. Should bat wagging interfere with a throw on an attempted steal by a base runner, time will be called, and the batter will be called out for batter interference and the base runner(s) would have to return to the base they occupied prior to “time” being called.
4. If strike three is called and the umpire judges that there was a legitimate attempt to throw the runner out, the runner will also be ruled out.
5. If the umpire judges that there was not a legitimate chance to throw the runner out, the base runner(s) would have to return to the base they occupied prior to “time” being called.

**Fielders:** No fielder may occupy a baseline unless a play is “imminent”.

1. If a fielder illegally occupies a baseline and hinders a base runner, obstruction will be called, and the umpire will make the appropriate base award.
2. If a ball is thrown inaccurately and draws a fielder into the path of a base runner, and in the judgment of the umpire there was no opportunity for an out to be made, and any contact was unintentional, the base runner shall not be called out.

**General Conduct:** No coach, player, parent, or other event participant can shout abusive or disrespectful remarks, specifically any such remarks that criticize a player, coach, or umpire’s performance/judgment. All participants, league officials, coaches, umpires, and spectators enjoy their respective status at the pleasure and discretion of the League. Consequences for violating rules or applicable sportsmanship standards may be imposed by any mechanism deemed appropriate by the League or by a team. Unanimity by decision-makers is not necessary. The ultimate authority is the WVBR Sportsmanship/Competition Committee or the WVBR Executive Board, whichever is the appropriate body according to applicable rules and guidelines. Their decision as to the proper forum for hearing a grievance and on any penalty will be final.

**Infield (Home Sites only):** The home team is to take infield first and will split available time with the visiting team. Example: If the official game time is 2:00, and if the teams enter the field at 1:30, home team infield will take place from 1:30 - 1:40. Visiting team infield will take place from 1:40 - 1:50 with plate talk occurring at 1:55. If taking infield causes a delay in the start of a game at its regular scheduled time, depending on the time, infield will either be shortened by each team or not conducted.

**Injuries:** In the event of an injury, the player shall be given no more than five minutes to recover or “shake it off”. If a player is not able to continue for at least one pitch, he must be removed from the game and will not be allowed to reenter the game. In the event of a blood-related injury, the

area must be covered, and any bloody garments removed. The team may take five minutes to stop the bleeding, cover the area, and replace the clothing. If the injury is minor and the team removes the player to dress a wound and change clothes, the player may return subject to normal reentry rules. If a base runner or batter is injured and cannot continue to play, and there are no available substitutes on the bench, the player who made the previous out shall replace the injured player as a batter or base runner only, until he is either out or scores or the inning is over. No artificial noisemakers of any kind may be used at any games played at the Complex.

**League/Post Season Tournament Start/Completion Dates:** WVBR will establish a League/Post Season Tournament Start/Drop Dead Completion Date. Every attempt will be made to play League/Post Season Tournament games.

Should any League Game not be made up prior to the Drop-Dead League Completion date, the League Standings will be frozen. The League Standings will then be calculated based on League Win/Loss percentage to determine a Regular Season Champion and seeding for the Post Season Tournament will be established.

**Note: Should a team refuse to make up a league game as recommended by the League President, regardless of circumstance; a 6-0 forfeit (Cal Ripken Division) or 7-0 forfeit (Babe Ruth Division) win will be awarded to the opposing team.**

In the event that a Post Season Tournament cannot be completed by the Drop-Dead Conclusion Date, The Tournament Trophy will be awarded to the Regular Season Champion.

### Pitching Chart

5. The Pitching Chart is a breakdown of how many pitches (by division) that a player can throw in any single game.
6. If a pitcher reaches the maximum number of pitches that they can throw in a game in the middle of a batter, the pitcher is permitted to complete throwing to the batter. Once the at bat has been completed, the pitcher must be removed from the game. **Penalty: If a pitcher is not immediately removed from a game upon reaching their maximum pitch count for the game, the game shall be ruled as a forfeit.**

### Reporting

7. Pitching Totals: The home team scorekeeper is responsible for monitoring how many pitches are thrown by pitchers from each team. The home team scorekeeper will use the league approved pitching sheet provided by their respective head coach.

  - b. Should there be any discrepancies in the pitching totals between the scorekeepers, the home team pitching totals shall be reported to the League Administrator.
8. Game Reports: The home team head coach is responsible for submitting the pitching report completed by their scorekeeper, and the final score of the game within 24 hours to the League Administrator.

For AA and up, the home team head coach will also report the pitching totals to the League Coordinator. When reporting pitching, pitching will be reported as follows:

<u>Last Name</u>	<u>Uniform Number</u>	<u>Pitches Thrown</u>
------------------	-----------------------	-----------------------

**Note:** Scores are to be reported via email, not text message.

**Slash Bunt (Rookies – Majors only):** A batter is out for illegal action when the player fakes a bunt and then takes a full swing, thus eliminating a player from fake bunting the ball. **Penalty:** Batter is out, the ball is dead, and no runners may advance.

**Slide Rule:** A legal slide can be either foot first or head first. If a runner slides feet first, at least one buttock will be on the ground. If a runner slides, he must slide within reach with either a hand or a foot. A runner may slide or run in a direction away from the fielder to avoid making contact or altering the play of a fielder.

1. A slide is illegal if:
  - A. A runner uses a rolling, cross-body, or pop-up slide into an infielder
  - B. The runner's raised leg is higher than the fielder's knee when the fielder is in a standing position.
  - C. The runner goes beyond the base and contacts or alters the play of a fielder.

Local Rule: A team may drop to 8 players during a game if a player becomes ill or injured. If a team drops to 8 players due to becoming ill or injured, an out will be recorded for each subsequent at bat when that spot comes up in the batting order. If a team drops to 7 players in the batting order, the game shall be ruled a forfeit.

**Start Time:** The first game of the day must start exactly on time.

### **Swing Players:**

1. Swing players will not be used for the All-Star program. Therefore, a player wishing to become eligible for All Stars at a specific level will be required to play at that level for the entire season.
2. Ill, Injured or Absent Players: In the event that a team will be missing a couple of players due to illness, injury or absence, the Area Director will coordinate a replacement player with the affected teams Head Coach.

**Note: In this circumstance, every attempt shall be made by the affected Head Coach and Area Director to bring a player up from a lower level to fill that roster spot.**

The Area Director will then contact the League President for final approval.

**Note: The League President has the authority to approve/deny any such request.**

Should the League President approve the temporary player, The League President he shall contact the Head Coach opposing team, explain the circumstances surrounding the temporary move, and provide the name and number of any such player to that coach. **Note: The same rule shall apply for local League Playoff games.**

## **Behavior**

During the course of a game, a coach, player or parent will not be allowed to approach an umpire for the purpose of disputing a judgment call or decision. Umpires will handle unsportsmanlike behavior in accordance with Competition/Sportsmanship Committee guidelines. A Head Coach may approach an Umpire for the purpose of discussing a rule interpretation or for clarification. At all times, the coach will show respect to the umpire and maintain his obligation as the team leader to provide an example of good sportsmanship for the players and other event participants.

No coach, parent, or event participant will be allowed to shout abusive or disrespectful remarks criticizing a player's, coach's or umpire's performance or judgment. The coaches are obligated to provide an example of control over emotions and speech. These behavior standards are to be maintained before, during, and after games as well as any sanctioned league function.

## **Team Rules**

The WVBR Board of Directors strongly encourages that each team to write and submit a copy of the team's rules to the WVBR Board.

# Willamette Valley Babe Ruth Charter Guidelines

## Overview

Several different ways of chartering teams have been attempted to balance the competitive level of various leagues within Willamette Valley Babe Ruth. This document is designed to give local areas a standardized guideline for setting team rosters within their local areas.

## Guideline

**Top to bottom:** When developing a roster, local areas will give first consideration to establishing their teams in a top to bottom fashion. In other words, if a local area has adequate, age appropriate players, as defined by Team Composition, then a team will be required to charter in the upper division.

Example: Area (A) is deciding whether to roster a single team between National and American, **and that area has five 14-year-old players;** Area (A) must roster a team at National team.

**Age Appropriate:** The second consideration for establishing a roster will be by establishing a roster that is age appropriate.

Example: Area (A) is deciding whether to roster a single team between National and American, **and has four, or fewer 14-year-old players;** Area (A) may roster as an American team as the majority age for the team is 13 years old.

**Variations:** Careful consideration will be given when deciding whether to award a variance by the Executive Board. Variations will be considered in one of three ways:

Team: Should Area (A) decide to charter a younger team in an upper division, the Executive Board shall approve such a variance. **Note: Once a team has been chartered at an upper level, that decision will become final. Any request mid-season to drop a team down to a lower level midseason will be denied.**

Player: Player variations will be handled on a case by case basis. Only one of two variations shall be considered by the Executive Board:

- A. Area requests for a player(s) to participate on an upper level team: If an area believes that a younger player is good enough to participate on a team at an upper level, or a team can only charter a team at the upper level, the Executive Board shall approve such a variance.
- B. Area requests for a player(s) to participate on a lower level team: On rare occasions, a circumstance may exist where a single player may need to be placed on a lower level team (**Note: this should only occur when a potential player has not developed physically, or if he would be the fifth player on a lower level team unable to compete at the upper level**). Should the Executive Board approve such a variance, that player will be added to the team roster. **Note: The player added to the roster will not be eligible**

**for All Star consideration.** Should the Executive Board deny such a variance, the local area will move the top player from the team being chartered at the lower level and place that player at the next highest level roster, and the lower level player will be added to the lower level roster, or the area will keep the existing roster intact and release the player to the player pool.

### **League/Team Formation Meeting**

**General:** Babe Ruth National Guidelines require that in order to charter a team, an area must have twelve (12) available players. **Areas that do not have twelve eligible players to form a team must request a league variance in order to be considered for league play at any level (Note: When requesting such a variance, an area, at minimum, should have eleven available players to that roster). Variances will be heard on a case by case basis.**

**Dual Roster of Players:** Areas **may not dual roster a player at a level unless the twelve player minimum has been met.** The intent of the Dual Roster rule **is so that a player can maintain their eligibility for All Stars** at a different (or lower) level while participating on a different (or higher) level team. The Dual Roster rule **is not intended** for an area to fill out a roster at a different (or lower) level due to a lack of eligible players. Note: **A player that has been placed on a Dual Roster for All Star purposes must participate in ½ of all league games at the level they are requesting all-star consideration.**

**Roster Size:** At the War Meeting, as each level is being filled, each area will be required to reveal the number of players, and age of those players at the time a specific team is being established. Variance requests (if any) will be heard and decided on at that time.

### **Team Composition**

**National:** National teams will consist of a minimum of 12 players and a maximum of 15 players ages 13-15 years old (National/League Charter Guidelines apply). **A maximum of five 15-year-old players may participate at this level.** Consideration may be given for 12-year-old players of appropriate skill level with the approval of a League Variance. Note: **Players ages 13 and 14 years old, which participate in this division, may be considered for 13U and 14U All Star competition.**

**American:** American teams will consist of a minimum of 12 players and a maximum of 15 players ages 13-15 years old (National/League Charter Guidelines apply). **A maximum of four 14-year-old players may participate at this level.** Consideration may be given for 12-year-old players of appropriate skill level with the approval of a League Variance. Note: **American is chartered as a 13-15 Prep league. However, this division is designed for skill appropriate 13-14-year-old players.** Variance requests for 15-year-old players participating in this division will be handled on a case by case basis.

**Majors:** Majors teams will consist of a minimum of 12 players and a maximum of 15 players ages 11-12 years old (National/League Charter Guidelines apply). **A maximum of eight 12-year-old players may participate at this level.** Consideration may be given for 10-year-old players of

appropriate skill level with the approval of a League Variance. **Note: Players ages 10, 11 and twelve 12 years old, which participate in this division, may be considered for 10U, 11U and 12U All Star competition at their respective All Star levels.**

**Major Minor:** Major Minor teams will consist of a minimum of 12 players and a maximum of 15 players ages 10, 11 and 12 years old (National/League Charter Guidelines apply). **A maximum of six 12-year-old players are allowed to participate at this level.** By league definition, this division is considered a developmental league, and players from this division would not be eligible for All Star competition.

**AAA:** AAA teams will consist of a minimum of 12 players and a maximum of 15 players ages 9, 10 and 11-years-old (National/League Charter Guidelines apply). **A maximum of four developmental 11-year-old players are allowed to participate at this level.** Consideration may be given for nine-year-old players of appropriate skill level with the approval of a League Variance). **Note: Only players ages nine and ten-year-old, which participate in this division, may be considered for 9U and 10U All Star competition.**

**AA:**

- **For an area to be eligible to participate in the AA Division,** an area must have a team in both the AAA division and the Rookie Major division.
- AA teams will consist of a minimum of 12 players and a maximum of 15 players ages 8,9 and 10 years old (National/League Charter Guidelines apply). **A maximum of four 10-year-old players are allowed to participate at this level.** Consideration may be given for eight-year-old players of appropriate skill level with the approval of a League Variance. **Note: Only players age nine-year-old, which participate in this division, may be considered for 9U All Star competition.**

**Rookies:**

- The Rookie Division will be divided into two divisions: Rookie Major and Rookie Minor.
- Teams will consist of a minimum of 12 players and a maximum of 15 players' ages 7 and 8 years old (Rookie Minor) and ages 8 and 9 years old (Rookie Major). (National/League Charter Guidelines apply).
- Consideration may be given for players of appropriate skill level with the approval of a League Variance on a case by case basis.

**Tee Ball:** Players age 5-6 years old are eligible to play Tee Ball.

# Willamette Valley Babe Ruth Mission Statement

WVBR Teaches baseball skills and promotes mental and physical development. WVBR emphasizes the basic ideals of sportsmanship, fair play and respect for the rules of the game among players, parents, coaches, and all other event participants.

It is the fundamental belief of WVBR that every child who has a desire to play baseball, and who resides within our designated geographic area, which is Lane County, Oregon, East of the Coast Range, should be afforded that opportunity to the greatest extent that our resources and charter allow.

# Willamette Valley Babe Ruth Competition/Sportsmanship Committee Guidelines

**Umpires:** In order for the Competition/Sportsmanship Committee to uphold suspensions for ejections or other unsportsmanlike actions, it is necessary that the expectations of our umpire's ability to handle the situation are met.

It is assumed that for normal situations of minor unsportsmanlike actions, that umpires will follow a standard set of guidelines:

1. 1<sup>st</sup> time: Ignore the action.
2. 2<sup>nd</sup> time: Warn the offender appropriately of the consequences of their actions.
3. 3<sup>rd</sup> time: Eject the individual.

When a major offense of unsportsmanlike behavior occurs (i.e. charging an umpire over a judgment call, throwing a bat, malicious contact, etc...) it is understood that all umpires have the authority to immediately eject the appropriate individual(s). It is important that any coach, player or spectator, not be allowed to continue with unsportsmanlike behavior.

Umpires must remember to not take the game into their own hands and strong hand a coach/player/spectator. Coaches have been instructed that they may ask for clarification of a call so long as it pertains to rule interpretations. If a coach politely asks an umpire "how they saw a specific call", that is also appropriate. However, should a coach come to argue a judgment call, the umpire will not acknowledge the argument and ask the Head Coach to return to the dugout.

**Note: The Head Coach is the only coach allowed to speak with the umpires. Should an Assistant Coach come out to dispute any call during a game, the umpire shall take the following actions:**

- 1. 1<sup>st</sup> time: The umpire will ask the Head Coach to restrain his Assistant Coach immediately and advise the Head Coach of the consequence should the Assistant Coach refuse to do so immediately.**
- 2. 2<sup>nd</sup> time: The umpire will restrict the Head Coach and the affected Assistant Coach to the dugout for the duration of the game.**

Should a Head Coach decide to call for a protest based on an interpretation of a rule, this shall not be considered unsportsmanlike provided that the coach handles him/herself appropriately.

If an umpire decides to eject an individual, it needs to be a solid ejection. No one is asking for the officials to take any abuse. Just be professional, and if the coach/player/spectator is not, handle it appropriately. Do not give the Competition/Sportsmanship Committee any reason not to support the umpires call.

If an ejection occurs, the umpire responsible for the ejection will contact the Umpire Commissioner upon the conclusion of the game. The umpire will provide the Commissioner with a detailed report of what led to the ejection. Should the ejected member decide to appeal any potential league suspension, the Umpire Commissioner will provide the

Competition/Sportsmanship Committee Chairman with the written ejection report and any amplifying information immediately.

**The following is the Competition/Sportsmanship Committee guidelines for ejections:**

### **Player Ejections**

If any player is ejected from a game, and the ejection is upheld by the Umpire Commissioner, the said player will serve (at minimum) an additional one (1) game suspension to be served at the next scheduled (regular or makeup) game. **In the case of any ejection of a player that is upheld by the Umpire Commissioner, the minimum one (1) game suspension will take effect automatically without review by the Competition/Sportsmanship Committee.**

### **Coach/Parent/Adult Ejection**

If any coach/parent or other adult not participating as a player is ejected from a game, and the ejection is upheld by the Umpire Commissioner, the said adult will serve (at minimum) an additional two (2) game suspension to be served at the next scheduled (regular or makeup) game. **In the case of any ejection of a coach/parent or other non-participating adult that is upheld by the Umpire Commissioner, the minimum two (2) game suspensions will take effect automatically without review by the Competition/Sportsmanship Committee. Note: This means that the affected person cannot be present at the game site at any time during pregame or during the game.**

### **Additional Suspensions for Ejections**

If any player/adult is ejected, and the ejection is upheld by the Umpire Commissioner, and there are excessive circumstances, the individual may receive an additional suspension. The additional suspension, as determined by the Competition/Sportsmanship Committee and upheld by the Babe Ruth Board of Directors, should be determined in a timely manner and preferably during the time of the minimum suspension.

### **Other Suspensions for Unsportsmanlike Actions**

Other actions by Babe Ruth associated individuals that fall outside the accepted guidelines for Babe Ruth activity will be reviewed and investigated by the Competition/Sportsmanship Committee and recommendations will be made to the Babe Ruth Board of Directors for corrective action, if any. Corrective action could include probation, limited participation, suspensions, and up to a life time ban from Babe Ruth.

### **Competition/Sportsmanship Committee Quorum**

It is understood that if the Competition/Sportsmanship Committee must need to determine anything other than a minimum suspension for an ejection, that a minimum of five (5) committee members must take place in the decision process. An individual being looked at for additional

suspensions, other than minimum suspensions for ejection, should be given the opportunity to speak before the Competition/Sportsmanship Committee prior to any decision of corrective action. All decision handed out by the Competition/Sportsmanship Committee and upheld by the Babe Ruth Board of Directors shall be final.

# Willamette Valley Babe Ruth Rules for Area of Eligibility

**Player participation is based on one of four criteria's:**

1. Area based on residence.
2. Area based on school attended.
3. Area based on where a player will attend high school.
4. Area based on shared parental custody

## Policy

**Area based on residence:** All players MUST reside within the boundaries of WVBR and each player MUST play for the area team in which his/her primary residence is located. **There shall be no waiver or releases from this rule for any reason except those expressly mentioned in this section or the Babe Ruth League National Rules.**

**Area based on school attended (Grades K – 7):** Players may participate within an area based on the school for which they attend. If the physical location of the school where a player attends classes during a traditional academic year is within the boundaries of an established league, the player is permitted to participate in the established league. (Note: This excludes home schools, cyber schools, sports related schools, sports academies, or an after school situation where a student participates outside of the primary school in which he is enrolled.) Under the school boundary rule, once a player selects to participate in an area where the player is eligible, the player must finish the current season in that area. **Note: If a player is on a waiting list to attend a school in an area other than their physical place of residence, and has a letter from a recognized school district acknowledging a request for transfer, a player is eligible for transfer to the area for where they have applied to attend, with the approval of the Executive Board.**

**Area based on where a player will attend high school (8<sup>th</sup> Grade):** Players requesting to participate in an area outside of their home area must meet the following criteria in order to be considered for participation in a different area.

1. In District Transfer: Players can make an In District Transfer request from their local school district between the first week of January and the final week of February each calendar year. 8<sup>th</sup> graders who have requested an In District Transfer must provide a copy of their application requesting transfer, and deliver it to their current Area Director for Area consideration prior to the first annual player evaluations of each year. If the current Area Board approves the request for transfer, the current Area Director will inform both the new Area Director and the League President of the transfer. The player must participate in all required evaluations. Should a player fail to participate in all required evaluations, they will be released to the League Pool for the National Division. The player will not be allowed to return to their home area. **Note: The home area reserves the right to deny any transfer request if it inhibits the home areas ability to field a team.**
2. Out of District Transfers: For players who are requesting an Out of District Transfer from one school district to another, the Out of District Transfer request must be made to the incoming school district during the month of March. For 8<sup>th</sup> graders who will be requesting an Out of District Transfer, they must make a written request to their current Area Director

for Area consideration prior to the evaluation date of the area for which they are requesting transfer. If approved, the current Area Director will notify the new Area Director and the League President of the approved request. The player must participate in all required evaluations. **Additionally, the player will be required to show a copy of their Out of District Transfer application to their current Area Director, and new Area Director no later than March 5<sup>th</sup> of the calendar year.** Should a player fail to participate in all required evaluations, or fail to provide a copy of their Out of District Transfer application to their current or new Area Directors by March 5<sup>th</sup> of the current calendar year, they will be released to the League Pool for the National Division. The player will not be allowed to return to their home area. **Note: The home area reserves the right to deny any transfer request if it inhibits the home areas ability to field a team.**

**Area based on shared parental custody:** In the event a player is involved in a shared custody arrangement between parents, the player **MUST** play in the area team for which they go to school. In other words, if the player is residing with parent (a) in one area, and going to school in the area where parent (b) resides, they **MUST** play for the school where parent (b) resides since this is where initial residence was established. Should the player enroll in school where parent (a) resides, then the player will have the option of playing in the area where parent (a) lives. No exceptions to this rule will be given (Babe Ruth Rule 0.01, Paragraph 5, exception, would apply).

### **Penalty**

If a parent is guilty of intentionally filing a false address, or falsifying documents so that their child would be eligible to play in an area other than the one that their real address, or school of record dictates, the player would be immediately suspended for the remainder of the season, and all games the player participated in would be forfeited. (Note: The ineligible player would be eligible to return to the area for which they are designated the following season). In addition to any suspension/forfeits, a team may be subject to additional sanctions based on the recommendation of the Sportsmanship Committee.

If a parent truthfully files an address to play for a specific area and it is found out later that the player should be playing for a different area, there shall be no penalty and the player will be allowed to play out the remainder of the current season with the team for which he is participating with. Upon conclusion of that season, the player will return to the area for which he should actually be playing for.
